

## Student Success Spotlight: Using Handshake to Get Ahead

Anthony Cameron expresses how Handshake has helped him with his early career journey finding an internship.

“Handshake was extremely helpful when I was searching for an internship this semester. It was easy to use and helped me get my name out there. Through Handshake and Adrian’s Career Planning office, I was able to meet with Assistant Director Professor West, improve my resume and interview skills, and figure out what experience I needed for my major. I’m just starting my second year, and getting an internship early has been a great step forward. I truly believe I wouldn’t have been as successful without Handshake.”

# Gift Card Winner!

During Welcome Weekend 2025, incoming students had the chance to enter a drawing for a \$50 bookstore gift card by setting up their Handshake profile and taking steps to get familiar with the platform.

It wasn't just a giveaway – it was the first step toward real-world opportunities.

Congrats to our winner, Beau Shaffer!

## Career Corner at Crazy Can

During the Crazy Can event, Career Planning hosted Career Corner, featuring nine incredible employers who connected with students and shared valuable career insights.

Students had the chance to ask questions, explore career paths, and gain tips on resumes, internships, and job searches. By engaging with each employer, they also earned entries to win a swag bag.

Congratulations to Joseph Salvatera, our lucky winner!
