ETIQUETTE DINNER

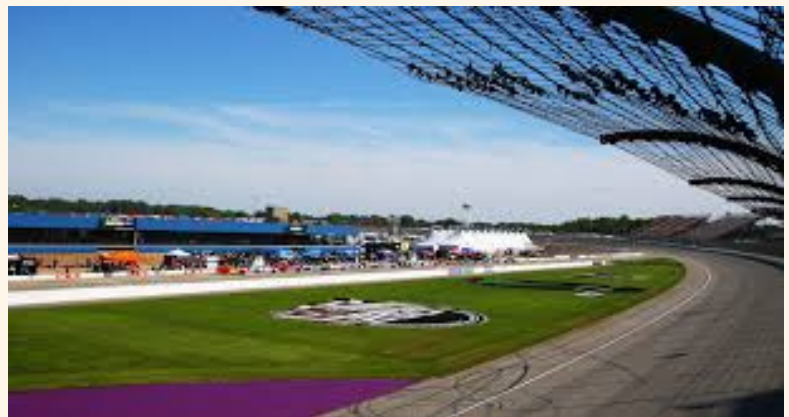

On March 11th, we held our Spring 2025 Etiquette Dinner! This event was designed to provide students with valuable tips and insights for navigating their next business luncheon or engagement. Stay tuned for our next event in the fall!

Track and Explore

Michigan International Speedway (MIS), a world renowned NASCAR venue, and Adrian College have cultivated an innovative partnership that has developed into Track and Explore.

The goal is to provide a free opportunity for teachers to bring their students and participate in an interactive science field trip tied to grade standards. This year we are offering 5 lessons, The Track, Physics (Egg Drop), Trail, Water Quality, and Science With Slime.

Student Employee of the Month

Brenna Kosal

Tya Combs

Brady Musser

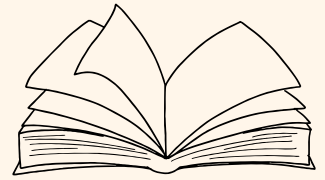

We are pleased to recognize our January Student Employee of the Month, Brenna Kosal, February Student Employee of the Month, Brady Musser, and March Student Employee of the Month, Tya Combs! These outstanding students were nominated by their faculty supervisors for their exceptional hard work and dedication. Congratulations to all!

Swag Bag Winner

A big congratulations to Brady Musser, our Swag Bag winner for the 2024-2025 school year! We're incredibly grateful to all of our student employees for their hard work and dedication this year. Your contributions have not gone unnoticed, and we're already looking forward to what next year has in store!

College to Classroom

The College to Classroom event, held on April 11th, was a collaborative effort between the Institute for Career Planning and the Teacher Education Department. This special half-day event shined a spotlight on our incredible associate teachers, providing them with valuable tools and insights as they prepare for their careers in education.

Students had the opportunity to dive into the job search process, take part in mock interviews, gain practical financial tips, and network with local teachers and principals. It was an inspiring and impactful day dedicated to supporting the next generation of educators!
